PRE-WEDDING PREP *Checklist*

CONFIRM LOCATION & TIME OF DAY

Confirm the location(s) for the pre-wedding shoot and obtain any necessary permits or permissions for specific locations. Set the date and time for the shoot, considering the golden hour for optimal lighting conditions. This ensures a beautiful backdrop and ideal lighting for capturing stunning pre-wedding photographs.

BOOK HAIR & MAKEUP

Schedule hair and makeup appointments in advance for the pre-wedding shoot. Consider a trial session beforehand to test different looks and ensure you're happy with the results on the day of the shoot. This preparation ensures you look your best and feel confident during the photo session

CHOOSE YOUR OUTFITS AND ACCESSORIES

For a successful pre-wedding photoshoot, it's essential to choose outfits that complement each other and the chosen theme, ensuring a cohesive and visually appealing result. Consider bringing backup outfits in case of emergencies, aligning them with the theme as well. Ensure all outfits are clean, pressed, and free of wrinkles or imperfections.

PLAN YOUR PRE WEDDING POSES

Confirm details with your photographer before the pre-wedding shoot, including arrival time and any specific shots or poses you want to capture. Discussing the desired theme and style of the shoot with the photographer beforehand helps ensure everyone is on the same page creatively.

"A GOOD SNAPSHOT KEEPS A MOMENT FROM RUNNING AWAY."

The colour palette for your wedding is going to dictate a lot of decor and attire decisions. Choose one or two colours as main hues, then select three secondary colours for support. To finish it off, choose a fun accent shade, like a metallic like gold or silver that you'll use sparingly throughout your event.
